Sir,

Kind attention is invited to the subject matter and references cited. Vide ref.(1), it was instructed to submit the details of the scheme implemented by the states of Tripura and West Bengal regarding the collection of Environmental Compensation in Noise Pollution based on the principle of 'Polluter pays principle' as mentioned in the order of the Hon'ble National Green Tribunal in case No. OA 519/2016. Vide ref. (2),(3) & (4), the Board has requested the SPCBs of Tripura and West Bengal to provide the requisite information.

The State PCB of Tripura vide ref.(5) has provided the copy of direction dated 19.02.2026 issued to designated authorities in the Tripura State for implementation of EC Regime in noise pollution. Tripura PCB has just given the same CPCB regime as a direction to Police and no modification of the CPCB regime made.

This is submitted for information and further necessary action.

Yours faithfully,
